LOGI DOCK ACCESSORIES

Purpose-built accessories help you make the Logi Dock experience simpler, more reliable, and more connected with ease.

GET MORE OUT OF YOUR LOGI DOCK EXPERIENCE

Logi Dock is an all-in-one docking station with meeting controls and enterprise-quality audio that simplifies personal workspaces and improves the WFH experience.

Accessories to customize your Logi Dock:

- Logi USB-C-to-Ethernet adapter: Give employees a fast and reliable Logi Dock experience. This simple adapter connects Logi Dock to your wired network with a quick and tidy installation in focus rooms, hot desking stations, home offices, or wherever an Ethernet cable is present.

USB-C-TO-ETHERNET ADAPTER

Easily provide Ethernet connectivity to Logi Dock users. The Logi USB-C-to-Ethernet adapter establishes a reliable connection to the network in focus rooms and wherever there is an Ethernet cable.
